Inspiring forward movement in your spiritual journey

## growth classes fall quarter (september 20 - december 13)

### A brief overview of our Growth Class structure...

We offer a wide range of Growth Classes in order to help you develop a biblical worldview and practical skills for Christian living. Our growth classes are organized and developed within the following five tracts:

- PS - Personal Spirituality
- TD - Theology and Doctrine
- RS - Relationship Skills
- BS - Biblical Studies
- FC - Faith intersecting Culture

Within these tracts we offer classes at varying levels. People at all levels of spiritual maturity and background will find a place to belong and participate.

- 101- introduction course
- 201- intermediate courses
- 202
- 301- advanced courses
- 302
- 401- elective courses

## Sunday morning 8:00 - 8:45 am

**Christian Ministry - The Study of 2 Corinthians 2:14-6:10 (TD202)** - This class will study our privileges and problems, our motives and our message, our responsibilities and our rewards.  
Taught by Roger Erickson in room 214.

## Sunday morning 9:00 - 10:10 am

**BS101 Exploring the Bible: Faith's Firm Foundation** - The Bible is the basis of everything we Christians believe. But why should we trust this old book? Where did it come from? Is it trustworthy? People seem to use the Bible to prove anything! Is it possible to figure out what it actually teaches? In this class, we will bolster our confidence in God's Word and strengthen our ability to understand what it says. We'll examine Scripture's origins and learn tried and true methods of correctly interpreting it.  
Taught by Andrew LeCleir in room 216/218.

**BS201 An In-depth Study of the Book of Esther** - Though Esther is the only book in the Bible that never mentions God, His influence is in every chapter. By doing a careful verse by verse survey, we will evaluate the literary type, the Assyrian and Persian historical backgrounds, and the meaning of the story for the ancient Jewish reader. Further, we will learn much of God's protective character for all of those who claim Him as their God.  
Taught by Mark W. Chavalas in room 212/214.

## Sunday morning 10:30 - 11:40 am

**FC202 unChristian** - This class is based on the book [unChristian: What a New Generation Really Thinks about Christianity...and Why It Matters](#). Many young Americans (late teens to early 30-somethings) believe Christians are judgmental, antihomosexual, hypocritical, too political and sheltered. Rather than simply try to do a PR face-lift, this class will look at ways in which churches' activities actually may have been unchristian and will encourage a return to a more biblical Christianity.  
**Taught by Jeremy Schoonover in room 216.**

**PS203 Network** - (A 6-week course, starting September 20) You have a God-given place of ministry and this class will help you discover it through discovering your unique servant profile! At Network, you will learn what the Bible says about spiritual gifts and service and be given guidance on how to discover your God-given place in ministry.  
**Taught by Anne Bailey in room 212.**

**PS202 The Life You've Always Wanted** - The heart of Christianity is transformation - a relationship with God that impacts not just our "spiritual lives," but every aspect of living. This class calls students back to the dynamic heartbeat of Christianity - God's power to bring change and growth - and reveals both the how and why of transformation. Based on the popular book, [The Life You've Always Wanted: Spiritual Disciplines for Ordinary People](#) by John Ortberg.  
**Taught by Darcy McCallson in room 214.**

## Sunday evening 5:00 - 7:00 pm

**PS402 Financial Peace University** - Each of the 13 lessons deals with a different topic that will change the way you think about personal finance. Dave Ramsey teaches about how to save money, live on a budget, communicate about money, eliminate debt, find bargains, and experience the joy of giving.  
**Taught by Daren & Sue Tobert in rooms 216/218.**

**Growth Class Website** Go to [www.firstfree.org](http://www.firstfree.org) and click on the green "grow" tab.
